

13 October 1952

MEMORANDUM FOR:

SUBJECT: Intelligence Deficiencies Revealed in SE-27.

1. In accordance with our phone conversation this afternoon, attached is the draft that has been prepared to inform the DCI and JJC representatives of actions to be taken in an effort to correct present deficiencies in the coordinating, translating, indexing, and distributing the foreign language material already available on Communist China. Prior to its release, we would appreciate securing by phone any informal suggestions or reactions that you might have.
